

WELCOME

To our January 2012 newsletter

Happy New Year and welcome back after the Christmas break.

As you may be aware for the past few months we have been e-mailing your invoices at the beginning of the month. If you change your e mail address for any reason or do not receive your invoice by the end of the first week of the month please will you let me or Diane know so that we can make sure you get a copy? May we also remind you that fees are due to be paid on the 1st of each month if you are paying monthly and on the first day you attend if weekly? Please be aware that direct debit/standing order forms can be obtained from the office as we are a cashless nursery. All fees must be paid for the relevant month in order to avoid suspension We will also be e-mailing newsletters and other little bits of information for example reminders about photographer visits etc.

Policy of the month:

Safeguarding children

January 2012

WELCOME to our January 2012 news

As part of our Eco schools work we are looking at how we recycle and trying to recycle more products. In the hall way we have a box where you can bring any old shoes, slippers, wellies, boots and any other foot wear, in any condition. These will then be sent to a company for re-cycling and used in countries that have a need for them.

We have currently got the Bronze award for Eco schools and we are now working towards the silver.

Parents focus Group

The next focus group meeting will be on the 15th February 2012 @ 6.00pm. Our group is currently made up of a few parents, staff and management. You are very welcome to join us and swell our numbers. So please come along
